Announcements

To the Voters of the Fifth Appellate District of Kentucky

I am a candidate for Judge of the Court of Appeals from this District, subject to the action of the Democratic party. As Circuit Judge, it has become my duty to try a number of criminal cases, which have become a part of the State's history. As a most critical time. In the proper construction. Almost insurmountable cases have burdened the dockets of my court, touching the rights of corporations and the exercise of franchises under the law. How I have discharged my duties under such trying circumstances, I let you to determine.

I will be very grateful to all who feel they can assist me to secure the high position and office to which I aspire.
